They therefore recommended the report to Council:-

- to confirm the Council Tax Requirement for its own purposes is £99,507,522 (excluding Parish precepts),

**Parts of the Council's Area**

| Valuation Bands | Hetton Town Council | All other parts of the Council's Area |

(vi) It be noted that under Section 52ZB of the Local Government Finance Act 1992, the Authority's relevant basic amount of Council Tax for 2019/2020 is not excessive in accordance with the principles determined under Section 52ZC(1) of the Act.

(i.e. the proposed Council Tax increase for 2019/2020 means that the Council does not need to hold a referendum on its proposed Council Tax. The provisions set out in Section 52ZC of the Local Government Finance Act 1992 require all billing authorities (councils and precept authorities (i.e. Fire and Police authorities)) to hold a referendum on their proposed level of basic Council Tax each year if they exceed government guidelines set out annually.)

(vii) It be noted that as Council Tax bills must show year on year increases to one decimal place in accordance with government regulations, the proposed increase of 3.99% for 2019/2020 will appear as 3.0% in respect of the Council and 1.0% in respect of the adult social care precept which must be separately identified.
